Our File No. 37647.200676

Dear Sir or Madam:

Enclosed please find copies of the Statement of Privilege recorded by Atlantic Maritime Services, LLC (“Atlantic”) against the following property:

<b>Title of Document:</b>	Statement of Privilege
<b>Claimant:</b>	Atlantic Maritime Services, LLC
<b>Parishes:</b>	St. Tammany, Orleans, St. Bernard and Plaquemines
<b>Lease:</b>	OCS-G-28030
<b>Field:</b>	Mississippi Canyon – 948
<b>Operator:</b>	Fieldwood Energy, LLC
<b>Principal Amount:</b>	\$5,842,744.68

The records of BOEM indicate that you own a working interest in the above property.

Demand is hereby made upon you to pay Atlantic \$5,842,744.68, together with interest thereon, the cost of filing the lien and attorney’s fees of 10% percent of the amount sought to be collected.

Failure to pay Atlantic \$5,842,744.68 within seven (7) days from date hereof will leave Atlantic no alternative but to file a Complaint against you in the United States District Court for the Eastern District for Louisiana seeking the recognition and enforcement of its privilege, i.e. its Louisiana Oil Well Lien, against your interest in the above property for the aforesaid amount. Additionally, pursuant to La. Rev. Stat. 9:4871, Atlantic will seek a Writ of Sequestration, without

the necessity of furnishing bond, be issued. Once the Writ of Sequestration is issued, Atlantic will record it in the records of the Clerks of Court for the Parishes of St. Tammany, Orleans, St. Bernard and Plaquemines and with BOEM to effectuate a paper seizure of your working interest and other rights in the above described property.

Nothing herein shall be construed as Atlantic taking any action whatsoever against the Operator, Fieldwood Energy, LLC or any of its affiliates or any of their interests or rights they may have in the above described property, as Atlantic is stayed from proceeding against same pursuant to 11 U.S.C. §362. Atlantic does, however, reserve the right to seek to move to lift the stay order in the Fieldwood Chapter 11 proceeding to have your interest sequestered and seized as to any proceeds payable to you from the sale of hydrocarbons attributed to your interest against which Atlantic's liens attach.

Very truly yours,

**NOV'S NOTICE OF PERFECTION, CONTINUATION, OR MAINTENANCE OF LIENS  
PURSUANT TO 11 U.S.C. § 546(b)(2)**

National Oilwell Varco, L.P. d/b/a NOV Tuboscope and NOV Well Site Services, XP Systems, L.P., and NOV Process & Flow Technologies US, Inc. (together "NOV") hereby give notice pursuant to 11 U.S.C. § 546(b)(2) and/or other applicable law that they hold valid, timely, and properly perfected statutory oil and gas M&M liens against Debtors Fieldwood Energy LLC and Fieldwood Energy Offshore LLC and certain of their respective debtor and non-debtor subsidiaries and affiliates (together, the "Debtors" or "Fieldwood") and their interests in the mineral and other real and personal property more specifically described below. In support of such notice, NOV states as follows:

1. Overview: Prior to and after the filing of this bankruptcy case, NOV furnished labor, material, and/or services under contract with the Debtors in connection with operations on the following oil and gas leaseholds located offshore in the Gulf of Mexico:

- a. Bureau of Ocean Energy Management Outer Continental Shelf Lease No. OCS-G 02110, Gulf of Mexico, Federal Waters, Eugene Island Block 307 (EI-307);

- m. Bureau of Ocean Energy Management Outer Continental Shelf Lease No. OCS-G 06888, Gulf of Mexico, Federal Waters, Viosca Knoll Block 826 (VK-826).

2. NOV has not been paid for such labor, material, and/or services provided. The principal amount owed to NOV—and for which it asserts a secured claim—is at least **\$331,253.37**, exclusive of contractual and statutory interest, attorney’s fees, and costs. Moreover, as NOV has continued to provide the Debtors with labor, material, and/or services in connection with the above-described properties post-petition, it is expected that the amount owed will increase if NOV does not receive payment for such labor, material, and/or services.

3. Liens. As a result of the Debtors’ non-payment, and pursuant to its rights under applicable state and federal law, NOV either timely filed or will timely file valid and properly perfected liens against the Debtors and their ownership interest in the mineral and other real and

personal property on which (or in connection with) the labor, material, and/or services were provided, together with the ownership interest of any other interest owners. NOV's lien claims cover the entirety of the leasehold estates and all oil and gas wells located thereon, together with all other property covered by applicable state and federal law, including, but not limited to, all building and appurtenances, materials, machinery, supplies, casing, tools, pumping equipment, pipelines, and right-of-way for the same, located on said leaseholds.

4. Attached hereto as **Exhibit "A"** is a copy of the Debtors' current statement of account with NOV, together with copies of the corresponding outstanding invoices and other select supporting documentation. NOV will supplement this filing with file-stamped copies of the various lien affidavits and accompanying exhibits and attachments thereto as soon as they become available.

5. Notice. Section 546(b)(2) of Title 11 of the United States Code provides that when applicable law requires seizure of property or commencement of an action to accomplish perfection of an interest in property, or maintenance or continuation of perfection of an interest in property, the claimant may file a notice with the Bankruptcy Court in lieu of such seizure or commencement. Accordingly, NOV hereby gives notice in lieu of commencement or continuation of any such action to perfect, maintain, or continue perfection of NOV's interests pursuant to 11 U.S.C. § 546(b), including, but not limited to, the filing or continued prosecution of a lawsuit to enforce and foreclose NOV's lien claims.

6. Adequate Protection. By virtue of this notice, NOV demands adequate protection of its interest in the above-described property. The proceeds of any sale of the subject property, including specifically any hydrocarbons produced therefrom, constitutes cash collateral pursuant to 11 U.S.C. § 363(a) and may not be used without consent. NOV does not consent to the use of

its cash collateral and demands segregation and an accounting of its cash collateral in accordance with Section 363(c)(4).

7. Further Information. Additional information and other supporting documents may be made available upon request to the following counsel:

8. Reservation of Rights. This notice shall not operate as a waiver of any right, claim, or defense available to NOV. NOV reserves the right to supplement and amend this notice to the fullest extent provided by law and hereby reserves any and all other rights provided under applicable law.
